RESPONSE TO NOTICE OF ABANDONMENT
REQUESTING WITHDRAWAL OF THE ABANDONMENT

Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In response to the Notice of Abandonment dated November 19, 2008 for failure to timely pay the issue fee in response to the Notice of Allowance dated July 23, 2008, Applicant respectfully requests the abandonment to be withdrawn.

Applicant respectfully requests the Notice of Abandonment be withdrawn without cost to Applicant because Applicant never received the Notice of Allowance from the United States Patent and Trademark Office. Attached as **Appendix A** is a Declaration signed by Tracey Belanger, the Docketing Administrator from Carlson, Gaskey & Olds, stating that the Notice of Allowance was never received by Carlson, Gaskey & Olds. Ms. Belanger is responsible for handling all mail received from the United States Patent and Trademark Office and for docketing any corresponding due dates.

A Non-Final Office Action was mailed to Applicant on December 21, 2007, and Applicant filed a Response to this action on March 20, 2008. As discussed above, Applicant did not receive any further correspondence from the United States Patent and Trademark Office for this application. Thus, Applicant requests that the abandonment be withdrawn.

I questioned Tracey Belanger to determine whether or not we had received the Notice of Allowance. She informed me that she had not received any correspondence from the United States Patent & Trademark Office for a Notice of Allowance in the subject application and that our docketing system did not have any Issue Fee due date for the subject application.

I personally searched the file jacket and my own docketing records. I did not find a copy of the Notice of Allowance dated July 23, 2008 in the file jacket. I also did not find any entry on my docket indicating that the issue fee was due for the above-referenced application.

On November 24, 2008, I obtained a copy of the Notice of Allowance dated July 23, 2008 on-line from PAIR.

Enclosed as **Appendix B** is a record of all docketing actions for our attorney docket number 67,108-017, which is our file for this application, printed on December 11, 2008. The last action received from the United States Patent and Trademark Office is the non-final office action mailed on December 21, 2007.

I, the undersigned attorney for Applicants, am the responsible, docketed attorney for this application. A Docket Report showing due dates for my matters pending at Carlson, Gaskey & Olds from July 1, 2008 to October 31, 2008 is also attached as **Appendix C**. As indicated in **Appendix C**, there is no issue fee due date for our file number 67,108-017 (i.e., this application) on October 23, 2008.

It is believed that the above statements and evidence attached in Appendices A-C meet all of the requirements to establish non-receipt of an office communication.

If, however, the abandonment is held proper, Applicant hereby petitions for revival of this unintentionally abandoned application. The petition fee for reviving the unintentionally abandoned application may be charged to deposit account no. 50-1482 in the name of Carlson, Gaskey & Olds. The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional.

Payment of the issue fee is being made by the submission that is filed concurrently with this paper. It is believed the above constitutes a complete response to the Notice of Allowance and that the conditional petition should be granted if needed to have this case revived.

Respectfully submitted,

CARLSON, GASKEY & OLDS
